## YOUR PRAYERS ARE CHANGING LIVES!

For the last few years, we have been leading strategic short-term mission trips to different countries in Eurasia. Last summer, a team of volunteers from Village Church of Dyer, IN, one of our ministry partners, participated in a mission trip to Korosten, Ukraine, where they helped School Without Walls (SWW) students build a playground for local families and lead a summer Bible camp for at-risk children and youth.

Katya and Masha, sisters from Korosten, participated in this special camp, where they found new hope and joy in Jesus. "This was the best week of our entire summer," they shared. "We met new friends, read the Bible together, and now our parents are coming to church with us." Katya and Masha also invited three of their friends to the camp, and while they were there, all three of them accepted Christ as their Savior!

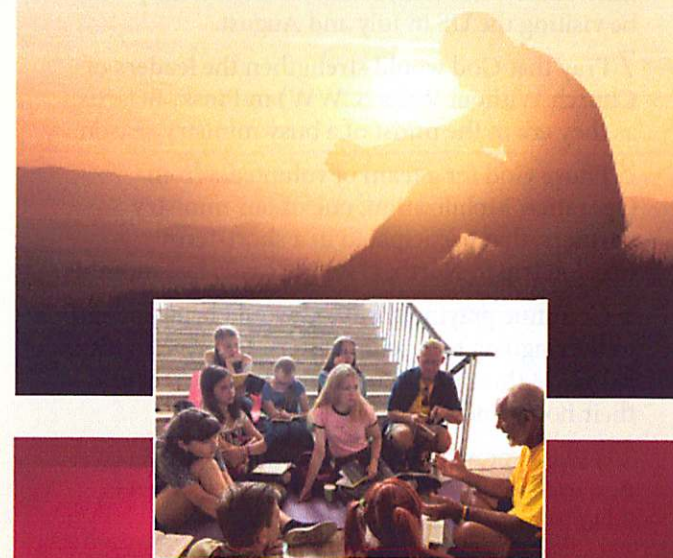

This month, we are leading another short-term mission trip to eastern Ukraine, where a team of volunteer families is serving with SWW students and a local church to lead a summer Bible camp and build a playground. Please pray that their loving witness would help even more children, youth, and parents find saving faith in Jesus.
