During this event, soon-to-be college graduates will learn how to effectively share the Good News of Jesus in their future workplaces and professional spheres of influence.

February 24-25: We are hosting an NGPLI training conference for young Christian businessmen and women.

February 29: An NGPLI training conference for young Christian entrepreneurs is taking place in Minsk, Belarus.

School Without Walls (SWW): We are training, equipping, and mobilizing thousands of Next Generation leaders all across Eurasia and Israel to share the gospel with their neighbors, communities, and entire nations.

YOUR PRAYERS ARE CHANGING LIVES!

School Without Walls (SWW) leaders all across Eurasia and Israel are placing God's Word in the hands of their most vulnerable neighbors, and many hurting men, women, and children are finding new life in the healing love of Jesus.

Oleg, a SWW leader from Ukraine, recently gave a copy of the *Gospel of John* to Zhenya (pictured on front cover), a homeless man in his neighborhood. To Oleg's surprise, Zhenya shared that he grew up in the church, but he hadn't been pursuing the Lord for many years. Oleg immediately prayed with his new friend.

"The next day, I wanted to find Zhenya again so I could talk with him about Jesus," Oleg shared. "To my surprise, when I found him, he was standing with the *Gospel of John* in his hand, preaching the Good News to other homeless men." The *Gospel of John* that Oleg gave him inspired Zhenya to rededicate his life to Christ, and now, despite his difficult circumstances, he is shining the light of his Savior in his community!

Please pray that God would use the Scripture ministry of our SWW leaders to transform the hearts of even more hurting people in Eurasia.
