YOUR PRAYERS ARE CHANGING LIVES!

Today, Alexey is walking with the Lord, but that wasn't always the case. When he was 16, he started using drugs and soon became addicted.

"Drugs robbed me of everything – my job, my health, and my relationships with my family and friends," he said. "By the time I was 25, I was completely lost, so I finally asked my mother to help me check into a rehabilitation program."

While in rehab, Jesus radically transformed Alexey's life.

"My worldview completely changed," he said. "Instead of only living for one day at a time, I began focusing on eternity with God." A few years later, he was paralyzed in an accident, but eventually he learned to walk again.

This year, Mission Eurasia's School Without Walls (SWW) leaders in Russia visited his church. "It was a breath of fresh air," he said. "I was so inspired by their visit that I decided to join SWW, and now I am gaining biblical knowledge and learning how to put what I'm learning about ministry into practice...I enjoyed learning about God's plan for the salvation of humanity from Genesis to Revelation."

Thanks for remembering students like Alexey in your prayers!
