## Andrey's Story

### Transformed By The Grace Of God

"When I was 16, my parents got divorced. After that, my mom and I moved into a small apartment in a bad area. Our neighbors weren't very friendly, and some of them were drug dealers. My mom had to work several jobs to support us, and because she was gone so much, I started spending time with the other young people in our building, many of whom were drug addicts. Soon, I was drinking, smoking marijuana, and using heroin, and before I knew it, I was an addict.

When I was 24, by God's grace, I agreed to start a rehabilitation program. During this program, I put my faith in Christ, and because rehab changed my life, I started working at the rehab center where I received treatment. I have been running the rehab center for nine years and God has set me free from all my addictions.

"After I gave my life to Jesus, I wanted to attend Bible school, and God heard my prayers. Now, I am attending School Without Walls (SWW), and I never miss a lesson. Through this program, God is filling my heart and growing my faith. *Thanks to my teachers and their testimonies, I want to share the gospel with the patients at the rehabilitation center.*"
