

2021

# ANNUAL REPORT

*Celebrating 30 Years of Ministry: 1991-2021*

Advancing God's Kingdom  
in a Dark World

Sergey Rakhuba | President

## God's people in Eurasia are persevering. *And God's work is thriving.*

Dear Friend,

As we reflect on our 30th year of ministry to our glorious Lord, **I am especially thankful for you** and the gracious support you provide. Countless thousands of people, young and old, have been blessed through your generous gifts.

As you read this annual report, I hope you'll see how effective your partnership has been through the past year. And I'm confident you'll recognize the unmistakable hand of God in our many activities. It has been an eventful year — full of daunting challenges and great victories.

The most important milestones are the changes that take place, often unseen, in the hearts of individuals as they respond to the gospel. These changed lives are the reason we keep going. They make it all worthwhile.

**As the world grows darker, the light of God shines brighter and brighter.**

**War** has been a sad fact of life for many people in Eurasia. And recently it has only grown more severe, not less. But the tragedy of war is also an opportunity for God's people to shine, sharing His love and truth with people who are suffering.

Our "I Care" ministry to refugees and displaced people has taken on much greater importance as the conflict in Ukraine has broken out into savage warfare. Meanwhile, the horrible memories of war in the Nagorno-Karabakh region are still fresh in the minds of people there.

Added to all this is the misery, poverty, and spiritual emptiness that is the lasting legacy of Soviet rule. It's impossible to overstate how destructive communism was for Russia and the other countries of the former Soviet Union. The people were deprived of the lifesaving gospel and forced to accept a godless ideology that only enslaved them. Mission Eurasia is still battling the lasting effects of this spiritual malaise in people across the region.

**Children** are the innocent victims of all these calamities. But they also embody our hopes for a better future. This is why Mission Eurasia has always placed a high priority on children's ministries. You'll see how our *Gift of Hope* program, *summer Bible camps*, and other ministries to children have made a difference in thousands of young lives.

As those children mature, they will become the young leaders of tomorrow. Our *Next Generation Professional Leaders Initiative* focuses on those promising men and women who are now shining God's light in places of influence. Their stories will inspire and encourage you.

Of course, *School Without Walls* is at the core of what we do. The students, staff members, and volunteers of this program are venturing into remote and dangerous places and fearlessly sharing the love and truth of God. I am immensely proud of them, and I know you will be, too.

There is so much more to share, but that should give you a glimpse of the amazing work God is doing through Mission Eurasia — **thanks to you and your kind support**. I hope you'll continue upholding this work in prayer, and with your generous gifts. I never forget that your partnership is vital in achieving what God has called us to. So once again, *thank you*. And may God bless you abundantly.

Most gratefully in Him,

Sergey Rakhuba  
President

*“Many are the afflictions of the righteous, but the Lord delivers him out of them all.” — Psalm 34:19, ESV*

## SCHOOL WITHOUT WALLS (SWW)

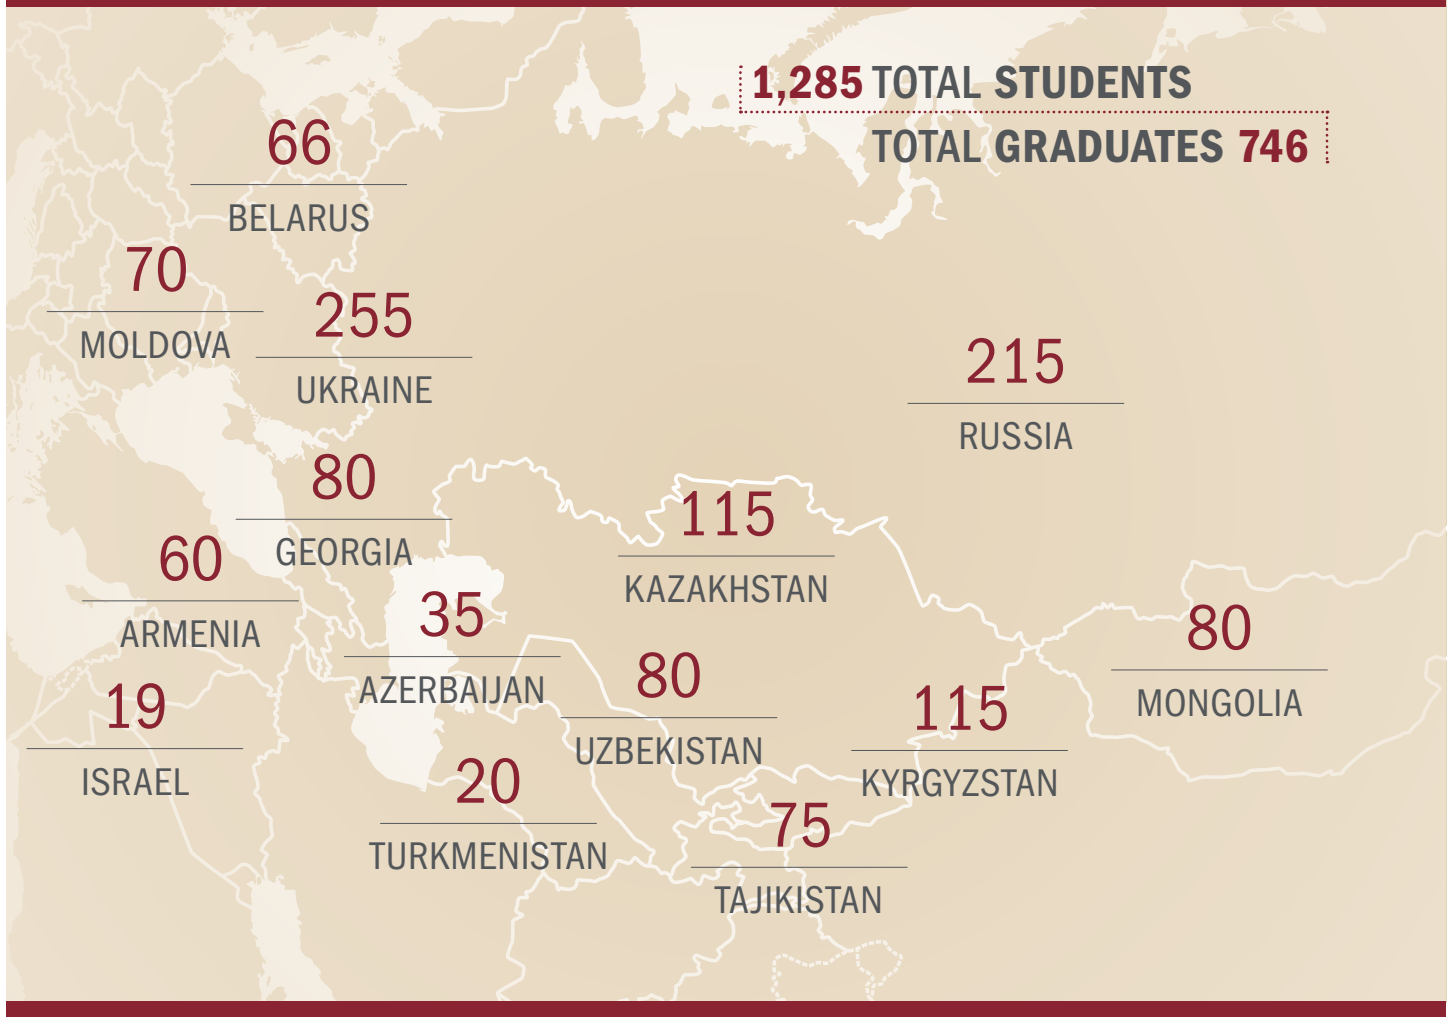

*“Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.” — Ephesians 6:13*

### Preparing the Christian Leaders of Tomorrow

Since 2004, Mission Eurasia has been providing innovative, flexible training programs for young Christian leaders. Our School Without Walls (SWW) leaders are advancing the gospel throughout Eurasia, despite cultural, political, and religious obstacles.

The recent reemergence of deadly warfare in the region has made the SWW mission even more urgent. And our graduates are stepping up with courage to meet the challenge.

#### GOD'S WORK IS THRIVING THROUGH CULTURAL, POLITICAL, AND RELIGIOUS PERSECUTION

## God's Transforming Power

*"I became a believer two years ago, when God changed all my values and approaches to life. As I dedicated myself to the Lord, I became more compliant and full of love, I learned to forgive, and my aimless life became purposeful. For me, SWW is very important, because we study topics that cover almost all areas of our life. I became very sociable and learned to build relationships with youth in the church. The topic of relationships with God was very important for me — it gave me motivation and confidence that everything is possible with God!"*

— Mariam Gachechiladze  
20 years old, Georgia

*"Last year I attended one of the SWW lectures. I was so impressed that I decided to enroll in the SWW program. The first lecture had a very big impact on my life. This program has exceeded all of my expectations. In addition, it helps me study the Bible and various spheres of life more deeply ... I believe that we are the generation that will free itself completely from communist thinking and will lead the country to progress and success."*

— Nika Barbakadze  
21 years old, Georgia

## NEXT GENERATION PROFESSIONAL LEADERS INITIATIVE (NGPLI)

*“..Thanks be to God, who in Christ always leads us in triumphal procession, and through us spreads the fragrance of the knowledge of him everywhere.” — 2 Corinthians 2:14*

# Sharing the Gospel in the Workplace

## **Christian professionals are bringing the light of the gospel to the workplace.**

The Soviet Union’s reign of oppression cast a spiritual cloud over Eurasia that is still lingering. During the Soviet era, Christians were prohibited from taking influential positions in society. They were not allowed to enter fields such as medicine, education, or law. But since the fall of the Soviet Union, that has begun to change.

The **Next Generation Professional Leaders Initiative (NGPLI)** trains Christian professionals to take advantage of the fresh opportunities they have and use them for God’s glory. They are learning to share the light and love of God effectively in and through their workplaces. And they are changing their world for the better.

IN 2021, NGPLI CONDUCTED  
**19 TRAINING EVENTS,**  
**6 CONFERENCES, 2 FORUMS**  
**AND 7 ROUNDTABLES,**  
WHILE PROVIDING TRAINING TO  
**16,100 NEXT GENERATION LEADERS**  
IN THE FOLLOWING FIELDS:

Medical/Healthcare: **4,100**

Education: **3,600**

Law: **1,900**

Business: **3,700**

Science and technology: **2,800**

*“... let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.” — Matthew 5:16*

*“And my God will supply every need of yours according to his riches in glory in Christ Jesus.” — Philippians 4:19*

### **Giving Generously and Using God’s Resources Effectively**

In 2021, we focused on teaching key leaders from School Without Walls (SWW) and the Next Generation Professional Leaders Initiative (NGPLI) — those who are able to teach others and impact their churches and countries — on the principles of generosity and biblical stewardship through three regional meetings in Uzbekistan, Georgia, and Moldova.

As Aleksandr Belev, Mission Eurasia’s international SWW director, shared, “We were so glad that these meetings were possible again after periods of lockdown during the last couple of years. Face-to-face fellowship can never be replaced by daily Zoom meetings. During these meetings, we discussed new challenges and how to overcome them, analyzed where we are now and made plans for the future, presented new books, and went through the Generosity Path course. Our teams went back trained, motivated, and inspired.”

We are also grateful to God for partnerships that have assisted our ministry in cultivating a culture of generosity and giving. In 2021, Dr. Gary Hoag, author and president and CEO of Global Trust Partners, led seminars for seminaries and ministry leaders in Ukraine and Moldova on the topic of biblical stewardship and generosity. As a result, 560 church leaders were trained in the principles of biblical stewardship and are now applying them in their life and ministry. In addition, we translated, published, and made available three books written by Dr. Hoag titled, *The Choice*, *The Council*, and *The Sower*.

## CHURCH PLANTING

*“And he put all things under his feet and gave him as head over all things to the church, which is his body, the fullness of him who fills all in all.” — Ephesians 1:22-23*

### Despite persecutions and pandemics, the growth of God’s church cannot be stopped.

The national evangelical church was a constant target of hatred by Soviet authorities, who tried their best to stamp it out. As a result, many regions of the former Soviet Union today have little or no Christian presence. With God’s help and your support, we’re bringing light to the dark places, planting churches where there are none.

IN 2021, WITH YOUR HELP, WE ESTABLISHED A TOTAL OF **20 NEW CHURCHES** IN THESE COUNTRIES:

- Azerbaijan: **1**
- Israel: **1**
- Kyrgyzstan: **5**
- Russia: **5**
- Turkmenistan: **1**
- Ukraine: **3**
- Uzbekistan: **4**

**CHURCH-PLANTING EVENTS INCLUDED 31 SEMINARS WITH 715 PARTICIPANTS, INCLUDING 550 SWW STUDENTS, 100 CHURCH PLANTERS, AND 65 PASTORS.**

*“Your word is a lamp to my feet and a light to my path.”*

— Psalm 119:105

## Bringing the Bible and Christian Literature to Hungry Hearts

During the Soviet Union’s cruel reign, authorities tried to eradicate all traces of God’s Word. The liberating message of the gospel was at odds with the tyranny of Marxism. Since then, the Bible has been hard to find in the former Soviet Union. Mission Eurasia is steadily changing that by distributing Bibles and other Scripture resources to people throughout the region.

FROM AUGUST TO NOVEMBER, MISSION EURASIA WORKERS SHARED THE GOSPEL  
IN **34 RUSSIAN CITIES**, COVERING MORE THAN **25,000 KILOMETERS**.

AN ESTIMATED **4,000 PEOPLE** HEARD THE GOOD NEWS.

**1,500 CHRISTIANS** TOOK PART IN PRACTICAL TRAINING SEMINARS IN 16 CITIES.  
AS A RESULT, **8 LEADERS** IN **5 CITIES** CONDUCTED OUTDOOR EVANGELISM EVENTS.

**TOTAL SCRIPTURAL RESOURCES DISTRIBUTED THROUGHOUT EURASIA IN 2021: 1,815,700**

*“I realized that today it is possible to openly and interestingly tell people the message about Christ, that they are sinners and need a Savior. I tried it myself, and I understand that such preaching of the gospel is most relevant today and it is so much in demand today ...”*

— Alexander from Kamensk-Shakhtinsky

## **Andrei's story**

**Andrei** is a young man who lost his job not long ago. His stepfather has been bedridden after his fourth stroke so the family struggles to make ends meet. Because of that, Andrei goes to places where he can receive free food. On one occasion when Andrei went to receive food, he received a Gospel of John from Mission Eurasia's young Christian leaders. He later shared, **“When I read God's Word, it's as if the dirt that is in me is leaving me and something good is waking up.”**

Before Andrei's stepfather had his first stroke, Andrei used to drink alcohol a lot. He decided not to follow in stepfather's footsteps and drink, but he admits that it has been difficult to fight this temptation. However, God's Word has made a definite impact on him, and those around him are noticing positive changes taking place in Andrei's life as a result.

## RELIGIOUS FREEDOM AND RECONCILIATION INITIATIVES

*“I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.” — Matthew 25:36*

### Religious Freedom and Reconciliation Initiatives

Eurasia remains a region where freedom of religion is restricted and where the state or other religions persecute Christians. Opposition to evangelical Christianity in Eurasia comes from several sources. Governments in some Muslim-dominant countries have been implacably hostile to the gospel. Religious extremists continue to persecute Christians through intimidation, fines, and raids on their churches and homes.

In today’s Russia, opposition comes from a government that is allied with the Orthodox Church. Russia’s “Yarovaya” law, enacted in 2016, restricts religious activities of all non-approved denominations. The law was directed especially at Protestant and evangelical groups. Churches have been shut down, their leaders fined or imprisoned.

**IN 2021, WE LED TRAINING EVENTS IN 10 COUNTRIES ON THIS VITAL TOPIC FOR 285 PEOPLE, INCLUDING CHURCH LEADERS, SWW COORDINATORS, TEACHERS, STUDENTS, RELIGIOUS FREEDOM ACTIVISTS, AND REPRESENTATIVES OF HUMAN RIGHTS ORGANIZATIONS.**

Mission Eurasia is fighting for religious freedom on all these fronts. We publish online and printed resources to strengthen churches facing persecution. And we host events promoting religious freedom in areas where it is most under threat.

During 2021, through our School Without Walls (SWW) program, we led training seminars on religious freedom in 10 countries and trained 285 Christian leaders to support their churches, defend the rights of other Christians, and present the needs of their communities to the government.

We also focused on helping Christians from different nations achieve reconciliation after conflict and war. In 2021, School Without Walls (SWW) leaders from Azerbaijan, Armenia, Georgia, and Turkmenistan met together for three days of training and strategic planning meetings in Tbilisi, Georgia for the first time since the end of the war between Azerbaijan and Armenia. We are so grateful that God's grace helped to heal differences between these leaders and help them achieve unity of purpose in planning for future ministry in this difficult part of the world.

## 2021 MINISTRY AT-A-GLANCE

*As Paul exulted in his letter to the Colossians, “The gospel... is bearing fruit and growing... since the day you heard it and understood the grace of God in truth.” — Colossians 1:6*

### God’s work in Eurasia is thriving — thanks to your kind support.

Here’s a summary of how God used your gifts in **2021**:

#### SCHOOL WITHOUT WALLS (SWW)

SWW welcomed **1,285 students** in **14 countries**, as well as another **300 students** in online groups — bringing the total number of students to 1,585. **746 people** graduated from the SWW program and are now sharing what they’ve learned throughout Eurasia.

#### NEXT GENERATION PROFESSIONAL LEADERS INITIATIVE (NGPLI)

Our Next Generation Professional Leaders Initiative (NGPLI) conducted **19 training events**, **6 conferences**, **2 forums**, and **7 roundtables**, training **16,100 young leaders** to represent Christ in their various fields.

#### SCRIPTURE DISTRIBUTION

In 2021, we distributed **1,815,700 Scripture** resources to adults and children, including Bibles, New Testaments, gospel booklets, and other literature.

## “I CARE” MINISTRY TO REFUGEES AND DISPLACED PEOPLE

War continued to bring misery and destruction to Eurasia in 2021. Mission Eurasia responded to the ongoing needs, helping displaced people and sharing the Good News of Christ. We provided food packages, blankets, clothing, and other items to war victims in Armenia and Ukraine. We also distributed Good News Prayer Guides (Molivoslovs), copies of the Gospel of John, and New Testaments to people hungering for answers. In all, your support enabled us to help 810,000 people in need.

## GIFT OF HOPE

Christmas should be a time of joy for children, even when their circumstances are sad. Gift of Hope makes Christmas bright for children who might otherwise have little to celebrate. In the past year, **126,500 children** in **12 countries** received Gifts of Hope. In addition to the children, the program impacted more than **375,000 family members**, neighbors, and others.

*“I really enjoyed the Christmas event, and thank you for giving me such a beautiful gift! Now I will tell my friends at school about Jesus, and I will invite them to come to church with me.”*

— Bogdan, Kazakhstan

## SUMMER BIBLE CAMPS

For two decades, our summer Bible camps have proven wonderfully effective in reaching children with the gospel. In 2021, we conducted **348 summer Bible camps** in **14 countries**. We ministered to **19,120 children**, many of whom began a relationship with Christ.

*“Recently, I received a Gospel of John at summer camp. Although I didn’t understand everything, I kept on reading and started seeing changes in my life. One of the things I read was that I need to obey my parents. I am trying to do that, but I still sometimes fail.”*

— Artem, Ukraine

*“The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; he has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound...”*

— Isaiah 61:1

## “I Care” Refugee Assistance Program — Offering Help to the Most Desperate Among Us

**As the reality of war has reemerged in Eurasia, we’re sharing God’s compassion with the victims.**

The horrific war between Russia and Ukraine has dominated the news recently. But it really began years ago with conflicts in Crimea and eastern Ukraine. From the beginning, Mission Eurasia was there, providing comfort, material help, and the hope of the gospel to people in agony.

The conflict in the Nagorno-Karabakh region was another tragedy that erupted into full-scale war over the last few years. Mission Eurasia workers were there, too, meeting the needs of war victims and sharing God’s love.

**Overall in 2021, the “I Care” program reached at least 810,000 victims of war, disease, and other calamities.**

Now, as the war in Ukraine intensifies, your support will enable us to shine God’s light even brighter there. We won’t turn away from war’s desperate victims, no matter how grievous the circumstances. We’ve been tested and proven by our previous experiences, and we’re prepared to meet tragedy with hope.

## A Ray of Light in the Darkness of War

Natalie was just six years old when her home in Artsakh came under attack. Suddenly, the sky was lit up by explosions. Her father departed to defend his homeland while her mother, Lucine, packed the family into a small car and left in haste. ***“The shelling didn’t stop,”*** Lucine recalls. ***“It was purely God’s miracle that we stayed alive. The houses on the left and on the right were completely destroyed.”***

In the relative safety of a distant town, Natalie’s family came into contact with local SWW workers, who brought them much-needed food and support. They also invited Natalie to come to summer Bible camp. It was a welcome change from the trauma she had just lived through.

***“We read the children’s Bible every night that we received at camp,”*** Natalie says. ***“I learned to pray at camp, so we now pray after we read our Bible. We pray there would be no more war and that God would keep our father safe.”***

## A Welcome Christmas Surprise

In the midst of all the turmoil in Ukraine, Angelina experienced a personal crisis last Christmas. Her son — one of five children she and her husband are raising in their one-room apartment — was in the hospital. The family’s finances were being drained. She asked for help from Mission Eurasia’s local School Without Walls program. Soon, Sergey, the SWW director, arrived at their home with a generous package of food, along with Christmas gifts and Bibles for each child. Suddenly, Christmas seemed brighter and full of hope again. ***“I am very grateful to those people who donated resources for these gifts,”*** Angelina said. ***“It’s always nice to get a gift and it is wonderful to see joy on the faces of children.”***

## Faith Triumphs over Despair

Rudik and Julietta lived comfortably in Nagorno-Karabakh until war broke out. Then, their land was seized by Azerbaijan. They were put on a bus with other refugees to leave “for a few days.” But their exile turned out to be permanent. In a new town, they rented a tiny room in a hostel. Julietta learned that the local evangelical church was helping refugees. So, she reached out. Some volunteers from Mission Eurasia came to their home right away, bearing a large box of food.

Rudik and Julietta received the help they desperately needed. They also received something even more precious — a relationship with Christ. ***“We had faith,”*** Julietta notes, ***“but we didn’t know the Bible. I am so happy and grateful that [Christian] people came to visit us, helped us, prayed for us, and shared more about God. They have become like our own brothers and sisters ...”***

The churches in Rudik and Julietta’s hometown had been closed during the Soviet era. As a result, real Christian faith was rare. ***“But now,”*** Rudik says, ***“the time has come for us to believe. We have to believe ...”***

## Bringing the Gospel to People Everywhere

**People who had never heard the Good News are hearing it. And many are responding.**

Eurasia is a vast patchwork of people groups, many of whom have never heard the Good News of Christ. These unreached peoples speak a variety of languages and embrace many different cultures. But they share one thing in common — a need for salvation. Representing more than 93 million people, they constitute a great mission field. And Mission Eurasia is working to reach them all with God's message.

The **North Caucasus** region alone is home to nearly a dozen distinct peoples: *Digor, Lezghin, Dargin, Ingush, Chechen, Balkar, Kabardin, Circassian, Karachai, Avar, and Ossetians.*

Other groups that remain largely unreached include the *Kalmyk*, the *Siberian Tatars*, the *Udi* of Azerbaijan, and the *Roma* of Ukraine.

**Russia's Far North** has been one of the more challenging places for the spread of Christianity. This is where Josef Stalin put his death camps, where countless Christians were imprisoned and killed. The indigenous groups here, which include the *Komi, Khanty, Nenets, Saami, Selkup, and Tramagans* peoples, have often been impervious to the gospel and at odds with each other.

Nevertheless, Mission Eurasia workers entered this daunting environment with enthusiasm, knowing that nothing can stop God's work. They provided nomadic training sessions to help indigenous believers minister to their own people. As a result, more people in this remote region are coming to faith, and churches are growing.

Many people are surprised to learn that an estimated **3 million Chinese** people live in Russia, where they have more access to the gospel than in their homeland. As they hear God's message, as many as 500 Chinese people become believers in Russia each year.

*“I must proclaim the good news of the kingdom of God to the other towns as well; for I was sent for this purpose.” — Luke 4:43*

*“See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven.”*

— Matthew 18:10

## Building the Future of God's Kingdom

**Children are close to God's heart. They deserve our love, attention, and guidance.**

Ministry to children has always been an important priority for Mission Eurasia. We've developed a variety of programs to make sure that young ones receive the care and training they deserve. And through your continuing gifts, these efforts are bringing good results.

### **Gift of Hope**

For children in war-torn or impoverished communities, happiness can seem like a distant dream. Through our Gift of Hope program, we're brightening the lives of many such children. Each year at Christmastime, we surprise them with Gift of Hope packages — each one containing a treasure trove of colorful toys, warm mittens, socks, treats, and — most important of all — a Bible storybook.

In 2021, your support enabled us to reach **126,500 children** in **12 countries** with Gifts of Hope. Along the way, more than **375,000 family members**, neighbors, and others were also impacted by these gospel efforts.

## Summer Bible Camps

Children who live in difficult circumstances treasure the opportunity to get away for summer Bible camp. At camp they're immersed in a variety of fun, wholesome activities, all under the watchful care of our dedicated staff. They learn about God's love for them and experience it firsthand through the new friends they meet. By the end, their lives are changes in ways they'll never forget.

In spite of the limitations caused by the COVID pandemic, in 2021 we were able to conduct **348 summer Bible camps** in **14 countries**. We welcomed **19,120 children**, teaching them from the Bible and encouraging them to give their lives to Christ.

## CHILDREN'S MINISTRIES

*“God settles the solitary in a home; he leads out the prisoners to prosperity...” — Psalm 68:6*

### **A Home for Every Orphan (HFEO)**

One of the most tragic consequences of communist rule in Eurasia was the stigmatizing of orphans. These helpless children were considered unworthy of decent care. And that attitude continued to infect society after the demise of the regime.

Mission Eurasia co-founder and director emeritus Anita Deyneka was so moved by the unjust treatment of orphans that she launched *A Home for Every Orphan* (HFEO) in 2008. The goal was to place as many orphans as possible into loving homes within their own countries. In the years since then, thousands of children have found the stable family environments they needed.

***With your help, this vital ministry to orphans will continue and expand in the coming years.***

IN 2021:

**1,670** children were placed in families.

**157,616** families were strengthened or reunited.

**153,625** foster and adoptive families received support or counseling.

**3,671** social workers received training to help orphans and facilitate adoptions.

**7,890** family-based care resources were distributed.

## FAMILY AS MISSION

*“They said, ‘Believe in the Lord Jesus, and you will be saved, you and your household.’”*

— Acts 16:31

### **Strong, loving families reflect the character of God to the world.**

Stable, godly families provide a bulwark against the destructive influences in society. But today, there are many forces in our world that actively undermine the family. Mission Eurasia places a special emphasis on strengthening Christian families, so they can resist the onslaught of worldly values. Believers need to be instructed and encouraged to excel in this important mission field. By applying biblical principles in love, families can become shining examples of God’s redemptive power.

In 2021, our *Family as Mission* Initiative sponsored **23 major events**, training **3,839 people**.

## A letter from our Board Chairman

Dear Friends of Mission Eurasia,

2021 was the 30th anniversary of the founding of Mission Eurasia and we are thankful to God for His provision for this ministry through your faithful prayers and giving. The preceding pages of this annual report tell a remarkable story of God using Mission Eurasia for His glory and purposes.

Yet, as we look back on 2021 from the vantage point of 2022, who could have imagined the evil attack on Ukraine that would bring about such utter destruction and loss of life that we have all witnessed? And yet, during the fear and chaos that has gripped this brave nation, there are many signs of God at work in the lives of the Ukrainian people.

While it is hard to discern why God would allow the destruction of our ministry center in Irpin, Ukraine and the burning of Bibles from our warehouse, we are confident that God will provide all of our needs in the future (Philippians 4:19). In the meantime, Mission Eurasia is clearly called of God to do everything we can to alleviate human suffering and point people to the hope and eternal salvation available in Jesus Christ. For us, it's all about "Advancing God's Kingdom in a Dark World."

For many years now, the Lord has led our team in building a network of churches, young leaders, volunteers, and partner organizations which are pulling together in this crisis. And speaking of that Mission Eurasia team, I want you to know there is no finer group of servants of Christ. Many of them have fled from their own homes and are separated from their spouses and children as they work under very difficult circumstances to deliver both physical and spiritual food (Bibles) to the victims of this war. *"How beautiful upon the mountains are the feet of him who brings good news, who publishes peace, who brings good news of happiness, who publishes salvation, who says to Zion, 'Your God reigns.'"* (Isaiah 52:7, ESV).

While the war rages in Ukraine, the other countries we serve are also "white unto harvest," and we are committed to continuing our mission of evangelizing, training, equipping, and mobilizing the Next Generation of leadership in all of Eurasia.

On behalf of the Board of Directors, thank you for your ongoing prayers and support of Mission Eurasia.

God's Best to you,

A handwritten signature in black ink, which appears to read "Wayne Shepherd". The signature is written in a cursive style.
